Office of the City Improvement Trust Board,
"Ranga Vilas", Seshadri Road,
Dated, Bangalore, the 26th February 1949

To ?M.L 28-48-12.

The Secretary to Government,
General Department,
Bangalore

Sir,

Sub - Acquisition of land in S No 13/4
of Jodi Jedahalli village,
Bangalore North Taluk

I have the honour to state that in connection with the acquisition of lands for the formation of the Industrial Suburb to the west of Bangalore, while S Nos 13/1, 13/2 and 13/3 have been included for publication, S No 13/4 also necessary and coming within the area of the Suburb and necessary for the Suburb has unfortunately been missed

The Special Land Acquisition Officer attached to the Board reports in his letter No T 939/48-49 dated 23-2-49 that this S No 13/4 was assumed to have been included in the area notified for acquisition and to have come into the possession of the Trust Board along with other lands acquired for the Industrial Suburb as it was situated right in the centre of the Industrial Suburb area, and was necessary for the purposes of the Board and that on a close scrutiny, it is seen that this has missed being published

He reports further that the omission of this S No from the acquisition notification was not noticed till very recently as the Survey records relating to the measurements made by the Mobile Party in 1945 in Jodi Jedahalli village were not in his hands, and that although efforts were being made by him since 13-5-47 to get at these records they could not be obtained from the Survey Department owing to the fact that the original hissa survey records were stated to be not traceable for sometime and that even when traced they were not in a complete form thereby necessitating the remeasurements of the whole village

It is further reported that the transmission of the survey records got inevitably delayed thereby and pending the receipt of these records he had no means of verifying the

details relating to any of the land acquisition cases of Jodi Jedahalli village and that on receipt of records about a month ago, the omission referred to above was noticed by the Special Land Acquisition Officer He has therefore prepared and submitted the appendices preliminary and final notifications in duplicate both in Kanarese and in English for the acquisition of the above S No viz , 13/4 of Jodi Jedahalli village under Sec 17 (1) of the Land Acquisition Act, as this land is absolutely essential for the Industrial Suburb area ~~where the Chord Road runs~~ The land has also been assumed to have come to the possession of the Board along with other lands acquired for the Industrial Suburb

I request that in these circumstances you will be so good as to obtain orders of Government for the immediate publication of the Declaration Statements under Sec 4 and 17 of the Land Acquisition Act in the official Gazette so that necessary further action may be taken by this office to settle the claim of the owner of the land for the compensation due under the Land Acquisition Act, for which he is urging

A copy of the Special Land Acquisition Officer's report referred to above is enclosed for favour of reference

Yours faithfully,

C. N. Narasimhan

CHAIRMAN

gvm/-2-

Report No T 939/48-49 dated 23-2-49 from the Special Land Acquisition Officer, C I Trust Board, Bangalore, to the Chairman, C I Trust Board, Bangalore

---

With reference to your memo No 1913 dated 21-2-49 re the acquisition of Sri Tholasappa's land in Jodi Jedahalli village, I have the honour to report as follows -

The Survey Number of Jodi Jedahalli village in which Sri Tholasappa has rights is S No 13 and not S No 3 as mentioned in the petition Sri Tholasappa's land is part of S No 13/4

This S No 13/4 was assumed to be included in the area notified for acquisition and to have come to the possession of the Trust Board along with the other lands acquired acquired for the Industrial Suburb as it was situated right in the centre of the Industrial Suburb area and was necessary for the purposes of the Board On a close scrutiny however it is seen now that unfortunately, the Survey Number has missed being published for acquisition A separate report regarding this omission was under submission by me at the time your memo under reply provided a convenient opportunity for me to make the report

The omission of the fourth hissa in S No 13 from the acquisition notification was not noticed till very recently because the survey records relating to the measurement made by the Mobile party in 1945 in Jodi Jedahalli village were not in my hands Although efforts were being made by me since 13-5-47 to get these records, they could not be obtained from the Survey Department, unfortunately, owing to the fact that the original hissa survey records were stated to be not traceable for some time and that even when traced they were not in a complete form, thereby necessiting the re measurement of the whole village The transmission of the Survey records got inevitably delayed thereby and pending the receipt of these records, I had no means of verifying any information relating to any of the Land Acquisition cases of Jodi Jedahalli village The records, however, were received about a month ago and I have now been enabled to notice the omissions and discrepancies in the Gazette Notification

The acquisition notification relating to lands acquired for the Industrial Suburb in Jodi Hempapur Agrahar and Jodi Jedahalli villages was prepared by the Revenue Inspector of Kasaba Hobli under the supervision of the Amildar, Bangalore North Taluk The draft notifications were based upon hissa survey measurements conducted by the mobile party of surveyors deputed for the purpose by the Survey Department in 1945 In the abstract statement of lands to be acquired prepared by the Surveyors, hissa No 13/4 has been included as kharab but while preparing the draft declaration statement on the basis of this abstract statement, the Revenue Inspector has omitted the entire hissa No 13/4 Perhaps, his reason for doing so was that the hissa was classed as kharab and therefore did not require to be formally notified But it may be noticed that in the same declaration statement, several other Survey Numbers are notified merely as kharab without mentioning the names of the persons interested in the land In any case, even if the land was kharab, it should have found a place in the notification because, in the case of Jodi villages, the kharab is supposed to be in the ownership of the Jodidar Thus, the omission of S No 13/4 from acquisition has arisen during the preparation of the Declaration statements in the Taluk Office

As there can be no question that S No 13/4 should also be acquired for purposes of the Industrial Suburb scheme, it is necessary that this land should be notified for

for acquisition at least now Accordingly, I enclose herewith preliminary and final notifications of acquisition in respect of S No 13/4, (Utilising the provisions of Sec 17 (1) of the L A Act) for transmission to Government If this could be arranged to be published immediately, the acquisition of the land could be completed within a very short while

The papers received from you are returned herewith
